IDEA-0881

30 August 1962

**SUBJECT:** Government Furnished Property (GFP) for Contract  
No.

**TO :**

**ATTN :**

**Dear Bill:**

The attached three lists depict Government Furnished Property (GFP) to be provided  for two System's X to be procured under Contract No.  These lists have been compiled to denote the dates and purposes for which the property is required.

With regard to these lists it is requested that you accomplish the following:

1. Enclosure III-4: Take immediate action to expedite the supply of these items to be in place at  facilities not later than the date shown in the Date Required Column.

2. Enclosure III-5: Assemble these items at your depot sufficiently far in advance of the required date to allow for transportation time to reach the Flight Test Center location by the date required. For planning purposes anticipate that Florida or the West Coast will be selected. When the location of the Flight Test Center is determined you will be advised and furnished full shipping particulars.

3. Enclosures III-6 & III-7: Assemble as a kit in sufficient time to permit deployment to overseas area to arrive by required date. Hold at the depot until further advise.
